

104-MULTIPLE-AMA-09

Date: 10 July 2009

EgyptAir Maintenance & Engineering (EgyptAir M&E)
Cairo International Airport
Postal address: 11776
Cairo
Arab Republic of Egypt

Attn: **Hisham Nasser**

Dear Sir,

ACCEPTANCE OF MAINTENANCE ARRANGEMENTS

Make and Model	Registration	Serial Number
Airbus A319/320 series	(see applicable aircrafts on reverse side)	(see applicable aircrafts on reverse side)

Reference is made to your **application** dated **1 June 2009** whereby **Abdel Aziz Fadel** requested the acceptance of maintenance arrangements, by the Civil Aviation Authority of the Cayman Islands.

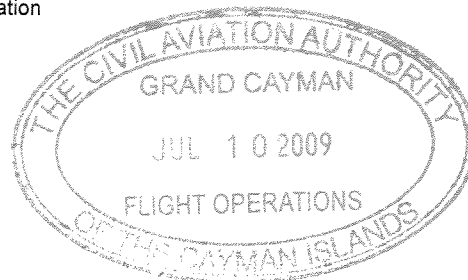

In accordance with the provisions under the Air Navigation (Overseas Territories) Order as amended, **EgyptAir Maintenance & Engineering (EgyptAir M&E)** is hereby authorized to issue Certificates of Release to Service for **Line and Base Maintenance** in respect of the above referenced aircraft subject to the following conditions:-

1. Certifications are made under the terms of your **EASA Approval Certificate EASA.145.0290**.
2. Authorisation reference **104-MULTIPLE-AMA-09** should be quoted as authority for the certification in the appropriate records.
3. This authorisation is valid from the **10 July 2009** and remains valid until the **9 July 2010** or until such times as the operator changes maintenance contractors, unless previously suspended, revoked or varied by the Director-General, Civil Aviation, Cayman Islands.
4. Duplicate inspection of flight controls must be completed and certified in accordance with the attached appendix 5 document.

A fee of C\$2000 will be invoiced to the owner for payment of this authorisation

Yours Faithfully

Ian Scott
Director of Air Safety Regulation
Cayman Islands
