Subject: **Maintenance Organisation Station Authorisation.**

We hereby authorises:

Egypt Air M & E. PART-145 Approval EASA.145.0290

To provide maintenance support and to issue Certificates of Release to Service under its approval, in respect of work carried out on:

Airbus A320-214 (CFM56)

aircraft operated by Eurofly S.p.A. subject to the following conditions:

1. **Egypt Air M & E** remains a PART-145 Approved Maintenance Organisation and employ authorised persons who may issue a Certificate of Release to Service in respect of the above mentioned aircraft types.
2. Certificates may only be issued by appropriately authorised and rated Certifying Staff quoting personal authorisation number and who have received relevant Eurofly S.p.A. procedures training and are competent in communicating in the English language, at the following locations:
Cairo (CAI)
3. Eurofly S.p.A. is provided with details of engineers authorised to certify maintenance work on its aircraft and is regularly updated on any changes to those details.
4. Authorised work shall be defined in the agreement between Eurofly S.p.A. and **Egypt Air M&E**; work shall be carried out in accordance with the approved aircraft manuals and Eurofly documentation.

This Maintenance Organisation Authorisation shall remain valid until the agreement between Eurofly S.p.A. and **Egypt Air M & E** is terminated. However this authorisation is subject to a positive result from the periodical audits reviews conducted by Eurofly Quality System and/or ENAC (Ente Nazionale Aviazione Civile) and can be revoked at any time, if any of the above conditions are not fulfilled.
